

KIDDIE KAMP DAY CAMP CAMP GAN ISRAEL

Dear Parents,

As parents you probably wonder if today's camps with their new advanced list of priorities, such as computers or specialized sports camps, can provide your child with the genuine happiness that inspires your wonderful memories of camp. Common bond of Jewish pride, great spirit, special friendship, and most of all some very special counsellors are still the ones that create a magical summer. It's the reason that parents send their children back to Gan Israel year after year.

There is nothing old fashioned about this place. You don't get to be the largest worldwide network of Jewish camps by being outdated! We have become the trendsetter in field trips, creative programming, and experienced staff. There is no such thing as a dull moment at Camp Gan Israel, but what we are most proud of are the friendships made between the children, who span the entire spectrum of the Jewish community and our handpicked staff. Just call us, and we will provide you with the name and number of a camp parent in your area. They seem to explain it better than us!
